10 GREGORY NICHOLAS STESHENKO,  
11 Plaintiff,  
12 v.  
13 THOMAS MCKAY, et al.,  
14 Defendants.

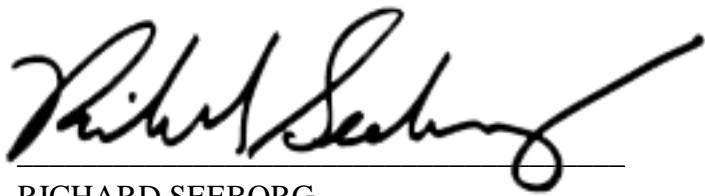

Case No. [09-cv-05543-RS](#)

**ORDER CLARIFYING IN LIMINE  
RULING**

15  
16 The order precluding evidence or argument regarding the financial resources of any party  
17 does not preclude plaintiff from introducing evidence regarding his unemployment and his claim  
18 of resulting emotional distress, to the extent otherwise relevant and admissible. It is improper, and  
19 will not be allowed, for a party to use claims of impoverishment, or contentions as to another  
20 party's wealth, to attempt to inflame the passions, prejudices, or sympathy of the jury. This  
21 clarification resolves plaintiff's motion for leave to seek reconsideration, which shall be  
22 terminated without further briefing or hearing.

23  
24 **IT IS SO ORDERED.**
